FROM: Craig Fajnor, Chief Financial Officer

SUBJECT: Cash Flow Projections

Summary: The Agency develops cash flow projections for the entire fiscal year representing weekly increments. Due to the size of the report, it is difficult to portray the entire fiscal year.

The attached report represents actual cash performance through late February with projections through late April. This reporting period covers the first ten months of FY19.

There are no cash flow issues anticipated during this reporting period. However, with uncertainty regarding when Federal funding will be approved and available for reimbursement, the Board is reminded that an advance of $22 million of Local Transportation Funds from the Riverside County Transportation Commission will be used to cover potential cash flow shortages in late FY19 and early FY20.

Recommendation:

Receive and file.

SUBJECT: Quarterly Capital Status

Summary: The Agency has, at any one time, a multitude of capital projects in progress or pending as circumstances and funding dictate. These capital projects are funded through a variety of funding sources including, but not limited to, Federal, State, and Local grants. Capital items funded with these grants include, but are not limited to, Revenue and Non-Revenue Vehicles, Transit Facilities, Facility Improvements, and Information Systems.

Depending on the nature of the project, it can take multiple years to accumulate the required funding to complete the project. It can also take multiple years to complete the project once it has commenced. Examples of such a scenario are the Temecula Promenade Mobility Hub and Hemet Mobility Hub projects.

The Agency will always have capital needs due to replacement of retired assets, acquisition and/or maintenance of Agency infrastructure, and unique needs such as mobility hubs to serve the transportation needs of our customers. As such, the Agency should always have a backlog of open projects that preserve and enhance the future of the Agency.

A presentation will be given at the committee meeting which provides an update on the Agency’s capital projects, focusing on the activities from December 2018 through February 2019. The Agency is required to provide quarterly reporting to the Federal Transit Administration (FTA) one month after the end of each quarter. The Agency is required to provide quarterly reporting to the Riverside County Transportation Commission (RCTC) after the end of each quarter. This reporting was submitted.

SUBJECT: Authorization to Award Agreement No. 19-019 to Hardy and Harper, Inc. for the Magnolia Avenue Bus Turnout at Galleria and Tyler

Summary: The current bus stop located on Magnolia Avenue at Galleria and Tyler was added during the RapidLink Gold Line project in August 2017. Because of the significant increase in traffic at the Galleria at Tyler Shopping Mall, and on Magnolia Avenue in particular, staff has recognized the need to modify this location with a bus turnout to improve safety. Currently, when a bus makes a stop at this location, the flow of traffic westbound is blocked creating a significant backup of vehicles behind the bus. Adding a bus turnout will enable the operator to safely pull the bus out of the traffic lane to load/unload passengers without impeding the flow of traffic.

Constructing a bus turnout at this location is more challenging and costly because of the existing utilities and other public right-of-way concerns that require additional work. This particular location requires the relocation of a traffic light pole, a street light pole and pull box, traffic signal box, loop detector, irrigation system and other miscellaneous utilities. In preparation for this project, staff had Psomas, a licensed engineering firm, prepare plans and specifications for the needed modifications.

On January 8, 2019, staff issued Invitation for Bids (IFB) No. 19-019. The IFB was publicly advertised in a newspaper of general circulation and a notice was posted on the Agency’s website along with a copy of the IFB document. The Agency also sent notices to the chambers of commerce in cities that are members of the Joint Powers Agreement.

On February 8, 2019 the Agency received bids from the following five firms:
<table>
<thead>
<tr>
<th>Firm Name</th>
<th>Bid Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Hardy and Harper, Inc., Corona, CA</td>
<td>$174,198.00</td>
</tr>
<tr>
<td>Hillcrest Contracting, Inc., Corona, CA</td>
<td>$231,601.00</td>
</tr>
<tr>
<td>Leonida Builders, Inc., Santa Clarita, CA</td>
<td>$266,408.00</td>
</tr>
<tr>
<td>PTM General Engineering Services, Inc., Riverside, CA</td>
<td>$299,099.00</td>
</tr>
<tr>
<td>C.S. Legacy Construction, Inc., Ontario, CA</td>
<td>$304,739.00</td>
</tr>
</tbody>
</table>

Staff reviewed the low bidder’s submittal to ensure compliance with the requirements of the IFB. Based on a thorough review, staff recommends awarding a contract to Hardy and Harper, Inc., the lowest responsive and responsible bidder.

In addition to the proposed amount, staff also recommends the Board authorize a ten-percent contingency of $17,420 to be utilized in the event of unforeseen circumstances. Such use would be subject to a future change order or amendment to the proposed contract if necessary.

**Fiscal Impact:**

Sufficient funds to cover this request are included in the Agency’s Board approved capital budget. The funding profile is shown below:

**Recommendation:**

Approve and recommend this item to the full Board of Directors for their consideration as follows:

- Authorize staff to award Agreement No. 19-019 to Hardy and Harper, Inc. for the Magnolia Avenue bus turnout at Galleria and Tyler in the amount of $174,198 with a ten-percent contingency of $17,420 for a total project budget amount of $191,618.
